Recording of Council Meetings

Under the Openness of Local Govt. Bodies Regulations 2014, members of the public may now film, photograph and make audio recordings of the proceedings of the formal Council meeting, though not, under current legislation, of the Public Participation session, as this is not part of the formal agenda of the meeting. Recording activity should be respectful to the conduct of the meeting and behaviour that disrupts the meeting (such as oral commentary) will not be permitted

The Annual Town Meeting is not constituted as an official meeting of the Council where business will be transacted in accordance with the LGA 1972 therefore no decisions will be made by members of the Council.

This is a public meeting for registered electors to ask questions relating to parish affairs and for the Council to report on the activities carried out over the last civic year. It is also a meeting for the public to ask questions to the Council.

Questions and answers will be directed through the Chairman.
