| | The Chairman welcomed all those present and thanked them for their attendance. He notified Members of the following two updates in his opening remarks: |
| | A planning application had recently been submitted in relation to the land next to Unity Hall. This was to create 16 new apartments. This application has been refused by Pendle Borough Council. |

| 2020/023 | REPORTS FROM BOROUGH AND COUNTY COUNCILLORS |
| (TC) | To receive reports from the Borough or County Councillors |
| | |
| | Borough Council |
| | |
| | Councillor Sakib had recently attended the Nelson Area Committee meeting whereby he noted |
| | an increase in planning applications for which local residents are applying for dormer |
| | extensions to their homes. This is largely down to the fact that it is more financially viable for |
| | them to do this rather than buy new homes. Councillors in general support the residents where |
| | possible in terms of these types of application. An application was also submitted for a 5G |
| | tower at Hodge House. Residents felt strongly that this would be detrimental to the area (and |
| | are also wary of potential health risks as being reported from some news sites). Members all |
| | voted against the application. |
| | |
| | Grants are now available for shop fronts in the town centre. Shop owners are encouraged to |
| | make use of the funds available if their shop front could do with some work. Shops within the |
| | town centre boundary are eligible for this grant. Should any Members be contacted by local |
| | businesses in relation to this, they are asked to put them in touch with either of Borough |
| | Councillors Sakib or Asjad. |
| | |
| | Members noted the update. |
| | |
| | County Council |
| | |
| | Na County Councillors present to give on undete |
| | No County Councillors present to give an update. |
